## MISSION

**Mature and dedicated web developer searching for first experience.**

## WORK EXPERIENCE

09/2019–04/2020

### Front End Web Developer

Hack Your Future, Brussel (Belgium)

<https://hackyourfuture.be/>

Innovative projects, made by incredibly motivated developers, students, coaches & organizations. I have started this practical training to collaborate with new web technologies since September 2019 and graduated and finish with a hands-on real-life project in April 2020

For running project please refer to [Dance With Me App](#)

**Dance-With-Me** application matches the users in accordance with their preferences (location, gender, age, weight, and height) and shows the events in which they can enjoy together.

This project is created for the final project of Hack Your Future Belgium Front End Development and build by **HTML5, CSS3, Bootstrap, MongoDB, Express, NodeJS and ReactJS**(*Mern Stack*)

You may find the details of our project in this link: [Project Repository](#)
