MISSION

Dedicated, highly skilled and self-motivated individual, with hands on coding experience, looking forward to new opportunities in web page and application development

WORK EXPERIENCE

09/2019-04/2020

Front End Web Developer

Hack Your Future, Brussel (Belgium)
https://hackyourfuture.be/

- Innovative projects, made by highly motivated developers, students, coaches & organizations. Started practical training to collaborate with new web technologies since September 2019 and graduated with a hands-on real-life project in April 2020.
- Created "Dance With Me" App: application matches the users in accordance with their preferences (location, gender, age, weight, and height) and shows the events in which they can enjoy together.
- "Dance With Me" is created as the final project of Hack Your Future Belgium Front End Development and involved coding in HTML5, CSS3, Bootstrap, MongoDB, Express, NodeJS and ReactJS *(Mern Stack)*
